

# Eco-Adventures:

a summer camp at  
Hickory Hill

*Our children no longer learn how to read  
from the great Book of Nature.*

— Wendell Berry

Everybody wants to GO GREEN —  
but what does that really mean??

In Eco-Adventures we will test water  
for pollution, meet Georgia native  
critters, learn about organic farming,  
cook with home-grown foods, feed the  
chickens, make art from recyclable  
materials, and much more.

Come explore the Great Book  
of Nature and learn what it  
means to Be Green!
